

Buy KwikSplice™ cable tray and get FREE strut trapeze kits for the installation

Three ways to save with an exclusive B-Line series KwikSplice™ cable tray and 4Dimension™ strut solution.

1

Material savings

- KwikSplice cable tray I-beam design enhances performance and allows up to 50% support reduction when compared to wire basket solutions.
- 4Dimension strut system helps eliminate cumbersome hardware compared to traditional trapeze solutions

2

Labor Savings

- KwikSplice cable tray patented 2 bolt splice design helps reduce installation time by up to 50%.
- 4Dimension strut system 4D5000 series flip clips provide up to 35% time saving compared to traditional trapeze assemblies.

3

Space Savings

- KwikSplice cable tray “all-in-one” universal fitting helps reduce project complexity by having the ability to easily create a horizontal bend, tee, or cross fitting.
- 4Dimension strut system with patented 4D21 multi-sided functionality allows for various trades to utilize the same support structure to help minimize the footprint required to fit the required material (i.e. conduit runs ran parallel beneath the cable tray system)
