

Quick guide

Through its extensive channel network Eaton offers warranties for plug-and-play UPSs up to 22kVA power range. You can choose the most beneficial method to safeguard your equipment performance and reliability.

Extended Warranties for new UPS/ePDU

Warranty+1

This service gives you a peace of mind for **1 year** in addition to the standard warranty of the product.

- During this period, the product is covered by a **standard exchange**
- Shipping costs covered by Eaton
- **Professional helpline**
- This offer covers both electronic parts and batteries Warranty cover both electronics and batteries (batteries are covered only for failures, not reduced autonomy)

*Normal battery aging and «recommend battery replacement» message visible on the display do not imply batteries' faults and therefore are not covered by the warranty

Warranty+3

This service gives you a peace of mind for **3 years** in addition to the standard warranty of the product.

- During this period, the product is covered by a **standard exchange**
- Shipping costs covered by Eaton
- This offer **covers both electronic parts and batteries***
- **Professional helpline**
